Lugar For Congress

Dear Elisabeth,

It's time to rebuild the approval rating of Congress. With Congress already at a dismal 9% approval rating, it's no surprise that number most likely will not be going up considering the recent attention given to the loophole that essentially allows Congress to participate in insider trading.

While all other Americans would face jail time for using nonpublic information to buy and sell stocks, Congress is not restricted from using this information gained through private government briefings and sessions with Ben Bernanke. Enough is enough.

It's time to raise up new leaders and change the course of Congress and the political, elitist culture in Washington. Instead of serving themselves, our leaders have a responsibility to younger generations not only to lead

Jack Lugar

Jack Lugar is a true Hoosier. Deeply committed to Indiana, Jack is an attorney at [The Foster Group](#) and a small business owner of [Lugar Real Estate, LLC](#) who like Ronald Reagan believes that "Man is not free unless government is limited."

Jack is the only non-politician who is running for the U.S. House of Representatives in Indiana's 5th Congressional District. Jack's campaign is funded in its entirety by fellow Hoosiers and people who want real change.

them but to teach them how to be leaders and then let them lead. It is time for those who have been in Washington D.C. to look to the next generation. It is time for them to pass on the torch so that America will be able to move forward and regain it's strength. More importantly, it is time for voters to make their voice heard at the next election.

If you live in Indiana's 5th Congressional District, on May 8, 2012, vote for Jack Lugar. Please visit my website at [www.LugarforCongress.com](http://www.LugarforCongress.com) for my perspective on the pressing issues. If you're interested, invite a few friends and let's schedule a time for "Joe with Jack". My goal is to be accessible and to listen and represent those in Indiana's 5th CD. I am available to meet with you.

My goal in Congress will be to work hard to represent Indiana: to cut regulations, create jobs, and stop overspending. I will look to the next generation to raise up new leaders and ensure that Indiana has a strong voice in Washington D.C. Congress needs to start looking to the next generation for the change America needs.

I'm in this race because my true conservative vision and determination have led me to take action and serve my native State and fellow Hoosiers.

Best,

Jack

## It's Time to Return our Country to Prosperity

by Jack Lugar

Will you join me in returning our country to prosperity? While there is a lot of negativity about our federal government and the political games that are being played in Washington, I believe we are poised to bring this country back to greatness. The formula is simple: True Conservative Values and Real Leadership.

I entered the race for the U.S. House of Representatives here in Indiana's 5th Congressional District after being approached by several Hoosiers, like me, who are disillusioned by career politicians that seem to be focused more on their reelection than listening to and helping the people in our communities, private industry, and small businesses. As an answer to that call, I have stepped forward in a willingness to serve my community, state, and country.

clients. Jack is part of a team at [The Foster Group](#) who build relationships with their clients while providing legal counsel. Jack practices employment, education, business, and real estate law; while providing entertainment management services.

Jack will take the same understanding and dedication he has given to his business throughout the years to represent Hoosiers in Congress.

Jack Lugar for Congress is a grassroots campaign and we appreciate all your support. As you know the support of everyday Hoosiers is extremely important to the campaign and to changing the course in Congress.

We don't believe in excessive spending, yet, recognize we need donations in order to compete and change course in Congress. So, continue to donate. Just like every vote counts so does every \$1.

We appreciate your donations and all who are volunteering!

I firmly believe that it is not too late to bring our economy back to greatness. But we need leaders in Washington who are willing to make difficult decisions that will benefit our children, and their children. I do not want my children to suffer under a failing economy, unwarranted government regulations, and excessive tax rates. I want to return the power in this country to the people by shrinking the federal government and empowering the states as our Constitution directs. It's time for the federal government to stop overreaching, and the time is Right Now.

I believe the way to win our future back is to do it together, and be on the ground and meeting with voters. I want to look you in the eye, shake your hand, and hear your concerns and desires for Indiana and this country.

Your willingness to help me in this endeavor will truly open the door and provide us a seat at the table in Washington.

This weekend I will be walking neighborhoods in the 5th Congressional District to meet voters and personally introduce myself.

If you would like to join us, we will provide bagels and coffee at Einsteins Bagels off 96th Street and I69, near the Walmart and Staples; and we will provide t-shirts and bookmarks and campaign materials. We'd love to have you join us.
